A new, digital tool to visualize embryogenesis [1]

Submitted by fturrizi on Tue, 2017-12-19 12:02

The group will next expand on their repository of interactive, digital images by incorporating Virtual Reality into their project. Stay tuned!

To learn more, visit their website [4] or contact Paul Villoutreix at <paul.villoutreix@weizmann.ac.il> [6].
