The Process of Gastrulation in Frog Embryos [1]

By: Michaels, Chinami  Keywords: vegetal pole [2] animal pole [3]
Illustration of the movement of the three hemispheres of cells, the animal cap (dark green), the marginal zone (lime green), and the vegetal cap (yellow) during gastrulation. The cross-sections are through the middle of the embryo.

Subject
- Blastula
- Frog
- Gastrulation

Organisms
- Ectoderm
- Endoderm
